Pregnancy & Baby Care

Naturally protected, right from the start

Trust Mother Nature

Our 100% certified natural pregnancy and baby care ranges are developed by experienced midwives and pharmacists, gently helping you prepare for the birth of your baby and beyond.

Our award-winning pregnancy care products are made from plant-based oils, which are easily absorbed by the skin. Our midwife recommended Calendula baby care range supports your baby with the kindest, natural, sustainably sourced ingredients suitable for your baby's delicate skin.

Introducing our brand new expert Midwife Team

Working closely together with mother & daughter midwives Anna and Sheena Byrom to support, educate and care for both midwives and parents

All4Maternity

Created by internationally renowned mother and daughter midwives, All4Maternity offers a unique and accessible learning platform to support, develop and nurture midwives, student midwives and maternity workers. Anna and Sheena have developed an online global community where all are welcome; their underpinning philosophy centres on compassion, kindness and respect. All resources are evidence-based and easy to access to enable responsive searching and innovative means of information sharing.

All4Birth

All4birth is an online, freely available resource for sharing of information & resources related to childbirth and maternity care. Co-created by a global community of birth practitioners and women and families, All4Birth focuses on normal physiological childbirth related to preconception, pregnancy, parturition (birth) postnatal care and parenting.

Recommended by midwives

The Weleda Baby Care range has been developed with the assistance of healthcare professionals and pharmacists and are dermatologically tested.

The support and endorsement of the midwifery community is so important to Weleda. That's why we've been working with our esteemed friends at All4Maternity to support their education programmes, publications and events.

Our Weleda Baby range is recommended and trusted by UK midwives.

Stretch Mark Massage Oil

A soothing, softening combination of jojoba, sweet almond and wheat germ oils, this massage oil is full of vitamins A, D and E as well as essential fatty acids and warming, skin-relaxing arnica. Massaging into the skin daily will help keep the connective tissues elastic – our best defence against stretch marks. Regular use visibly helps to correct the appearance of stretch marks on your pregnant belly, your thighs, bottom and breasts, and also helps prevent new ones. Easily absorbed, and with a delicate, light fragrance, Stretch Mark Massage Oil is a pleasure to apply.

"I just wanted to say thanks. I have always been a fan of your products. I am 34 weeks pregnant and have been using your Stretch Mark Oil, it smells amazing, is so relaxing and I don't have a single stretch mark! I have recently bought the Perineum Massage Oil and looking forward to trying that. I have had a difficult pregnancy but your products are making it more enjoyable"

Claire Fleming, Wales

The treatment of the skin with Stretch Mark Oil over a period of six months resulted in a reduction of existing stretch marks:

Reduction of stretch mark area - 33% after six months

Skin surface smoothness + 92% improvement after six months

Perineum Massage Oil

Weleda Perineum Massage Oil is a specially developed oil to assist in preparing for childbirth. Massaging the perineum with a composition of sweet almond oil and wheat germ oil helps relax the cellular matrix and increases elasticity which may help prevent tearing during childbirth. Dermatologically tested and with no synthetic colourings, preservatives and fragrances, or mineral oil based raw materials.

Natural Medicines Made by Hand

At Weleda, we are famous for our ethically sourced, organic natural care products but what isn't so well known is the fact we are actually a pharmaceutical company and today we globally manufacture millions of doses of natural remedies every year from our five approved facilities. We supply health care professionals and hospitals throughout the world with a wide range of traditional-herbal, homeopathic and Anthroposophical remedies, made with the highest quality ingredients and processes you would expect of Weleda. One of these sites is based here in Derbyshire, England where we create fresh plant, mother tinctures

from our 13-acre biodynamic gardens, to use in our MHRA (Medicines and Healthcare products Regulatory Agency) approved facility – creating medicines which help maintain that important sense of balance and encourage the healing process.

We have many remedies, made under medical licenses to pharmaceutical standards, so you can be assured they are safe and effective. Our medicines are designed to work in harmony with the body, delivering effective remedies for a wide range of conditions from chronic to acute. For further details please go to www.weleda.co.uk
